SUMMARY

Recent BBA Marketing graduate with experience in digital marketing, consumer research, business analytics, and campaign strategy. Skilled in Excel-based analysis, market and consumer research, social media strategy, content development, and presenting data-driven recommendations. Experienced in applying analytical and creative problem-solving skills through professional and academic projects. Interested in marketing strategy, business analysis, consulting, and brand or retail strategy.

EDUCATION

Georgia State University, J. Mack Robinson College of Business

Atlanta, GA

Bachelor of Business Administration (BBA) in Marketing Aug. 2022 – Aug. 2026

- Relevant Coursework: Social Media Marketing, Advertising, Marketing Research, Buyer Behavior, Marketing Strategy, Marketing Management, Business Analysis, Global Business
- Active member of the American Marketing Association, and engaged in academic projects requiring team collaboration, critical thinking, and problem solving

EXPERIENCE

Social Media & Video Intern

July 2026 – Present

RetroSynth Records Remote | Austin, TX

- Create promotional video content in Canva for artist releases and campaigns, developing visuals aligned with each artist's branding, music style, and promotional direction
- Publish and coordinate promotional content across multiple social media platforms, adapting creative assets, captions, and formats for platform-specific audiences
- Support digital marketing for artists and new music releases through social media content creation, promotional assets, and release-focused campaigns

Front Desk Receptionist

May 2023 – Apr. 2026

Phenix Salon Suites | Cumming, GA

- Assisted the manager and owner with administrative tasks, demonstrating strong time-management, organizational, and multitasking abilities in a fast-paced environment
- Supported marketing initiatives by promoting services to prospective clients, applying communication and interpersonal skills to drive client acquisition
- Delivered exceptional customer service by managing client relations, addressing inquiries and concerns, and maintaining a welcoming and professional environment
- Coordinated scheduling, appointment management, and front desk operations to ensure a smooth daily workflow

SELECTED PROJECTS

Business Analytics & Forecasting Case Study | Excel, Pivot Tables, Regression Analysis Jan. 2025 – May 2025

- Completed a business analytics project using Excel to conduct forecasting, regression analysis, and decision modeling
- Utilized pivot tables, seasonal trend analysis, and data visualization techniques to surface actionable, data-driven recommendations

Greenlight Consumer Research Project | Survey Research, Consumer Behavior Analysis Jan. 2026 – May 2026

- Collaborated on a marketing research project for a mental health app concept (Greenlight) targeting college students
- Conducted survey research and consumer behavior analysis to identify user needs, pain points, and market opportunities
- Analyzed qualitative and quantitative consumer insights and delivered strategic recommendations in a formal presentation

Chick-fil-A Social Media Campaign | SEMrush, Canva, Social Media Analytics Jan. 2026 – May 2026

- Developed a mock social media marketing campaign for a university marketing course focused on audience engagement, seasonal promotions, and brand storytelling
- Conducted hashtag and keyword research using SEMrush and social media trend analysis tools to identify high-impact content opportunities
- Created content strategy recommendations targeting Gen Z and young adult consumers, aligning messaging with platform-specific best practices
